PANDEMIC PIVOTS: How Will You Sustain Modernization and Practice Feasibility?

The global pandemic has driven many innovative and progressive changes in our work environments. How can lawyers and law firms keep the crisis-driven modernization momentum going? Use this worksheet to map out your own commitment to streamline procedures and modernize the delivery of justice in Ontario, starting with your own workplace.

List at least five (5) new approaches you have adopted in your workplace during the pandemic that you would like to maintain in a post-pandemic life. Acknowledge and celebrate these successes.

List five (5) improvements (activities or new ways of operating) in your work environment that you will maintain in your post-pandemic practice. Keep this list handy and reference it often to avoid slipping back into old ways. Share your commitment with others in your workplace.
